MAILES DEFEAT THE ARTILLERISTS

The Mailes, for the first time this season won the football game yesterday and relegated the Artillery team to the rear ranks of the League. They won by a score of 11 to 6 in a fast, snappy game in which they showed themselves superior to their opponents in many respects. The Maile team started off as if they were going to sweep everything before them, but after making two touchdowns inside of eight minutes they were held by the soldiers during the greater part of the remainder of the game. The team practically made three touchdowns, but a fumble by James just after he was shoved over the line turned the last touchdown into a touchback which counted nothing. The Mailes played together well, their interference being hard to break up. Wright, James and Jarrett made especially good gains for that side.

The soldiers were able to make one touchdown which just saved them from having a goose egg for the season's work. Although they were slightly heavier than their opponents, the speed of the other team more than balanced its weight. The backs did not seem to know the signals perfectly, for several times no one was on hand to take the ball. The team as a whole did not play together, and although fine work was done by individual members, notably Bennett and Greenwalt, ... alone could not win the game.

Yesterday's contest, contrary to the usual way, settled the question as to what teams occupy the foot of the League. Maile will occupy third and the soldiers are the tail-enders. The contest next Saturday between Punahou and the H. A. C. team, will settle the championship, and the game itself will undoubtedly be one of the best ever seen here.

The small crowd which attended yesterday's game was mainly composed of sympathizers of the two teams. Berger's band played before and during the game.

FIRST HALF.

The Mailes had the makal end of the field and kicked off. James on the kick-off sent the ball 45 yards. Artillery gained 18 yards before being stopped. The soldiers bucked and then Greenwalt tried a quarterback run. As it was inside the 25 yard line the ball was given to Maile. James started the latter team off for a touchdown by running 26 yards around right end. He was tackled and downed almost within reach of the goal. Heilbron bucked, and made the first touchdown, 2 minutes and 22 seconds after the game commenced. James failed to kick goal.

Foley of the Artillery team kicked off 20 yards. Mays caught and gained 5 yards. The Mailes were certainly out to score, for Clark ran his team at top speed. After a buck Fred Wright started around left end, and with the aid of good interference got free from the bunch and started down the field. Three soldiers tackled him but couldn't stop him, and he ran 70 yards for the second touchdown, which was made in 4 minutes and 24 seconds. James kicked goal. The latter kicked off again, the ball going to Coulter who was downed immediately. Maile lost 5 yards on an offside, and the soldiers fumbled but secured the ball again. They were forced to kick, however. James caught and ran back 7 yards. Maile was penalized 20 yards on account of Wright, who was holding. James gained 6 yards around right end and then kicked, the ball bounding outside.

Artillery took the ball in the center of the field. Greenwalt made a 15 yard run around right end, but ran outside. The team now began bucking and made good gains through the Maile line. Bennett, Modlin and Foley aided in carrying the ball to within 12 yards of the goal. Maile was again penalized 5 yards for being offside. On two bucks Bennett made 6 yards and on the first down he was pushed over for the first and only touchdown which the Artillery team has made this season. Greenwalt kicked goal, and the score stood 11 to 6 in favor of Maile.

Foley kicked off, but Covell was offside and the ball was brought back. Foley again kicked, sending the pigskin 36 yards to James, who ran back 17 yards. Wright failed to gain around

left end, and Maile was again penalized 20 yards for holding. Wright now ran 9 yards around left end. Artillery held and James was forced to kick. Bennett caught but made no gain. Greenwalt made 3 yards on a quarterback run, and 8 yards were made on bucks by Modlin and Bennett. Greenwalt, who was doing splendid work for his team, made another 15 yard run around left end. After bucking until the ball was in front of the goal Greenwalt tried a place kick from the 20 yard line. The ball sailed low, however, and was caught by Clark, who ran in 5 yards.

Time was called when the Mailes had the ball 18 yards from their own goal.

SECOND HALF.

Foley kicked off. The ball went 35 yards and was caught by Wright, who made 13 yards. Coulter stopped Wright from making a gain around left end, but Jarrett made 8 yards around right tackle. James bucked, gaining 2 yards, then Jarrett made another fine run. He gained 21 yards around right end. His weight carried him through the soldiers without much difficulty. Bucking was resorted to, and Maile was again penalized 20 yards for holding. James now kicked, but the ball went high. The soldiers took it 4 yards from the center of the field. Maile lost 10 yards on an offside on the next play. Modlin was forced back 5 yards, and then Bennett tried a false kick. He ran with the ball but failed to gain. He then kicked 26 yards. The ball bounded badly and Clark and James dropped on it. Wright gained 17 yards by some clever dodging back and forth. Maile was penalized 20 yards for holding and James kicked, the ball rolling outside. Modlin was forced back a yard, and a fake kick was tried again. Bennett ran directly up the field, but hadn't gone more than 5 yards when he met Ellis coming the other way. The meeting was a decided shock to both, so much so that both fell flat and the ball was fumbled and secured by Maile. It was lost, however, for Clark, on a quarterback run, failed to go five yards to the side. The soldiers tried a double pass and Bennett gained 4 yards. Bennett was now taken out of the game and Merwin put in his place. On a buck the soldiers were penalized 20 yards for holding, and then they lost the ball as Greenwalt on a quarterback run was unable to run the needed five yards to the side. Maile ball. James ran 8 yards around left end, and Wright made another good gain of 15 yards around left end. Jarrett made 12 yards around right end and James bucked for a gain of five yards. The ball was now within two yards of the goal, and James was shoved over. Unfortunately just as he went over the line he fell and lost the ball. Covell fell on it and accordingly the play was a touchback which counted nothing instead of a touchdown. The soldiers punted from the 25 yard line. The ball went 35 yards to Wright, who ran back 20 yards. The Mailes now resumed their bucking tactics. Once inside the 25 yard line, Westcott was brought back and steady gains were made through the Artillery line. A touchdown would probably have been made had not the Mailes been penalized 20 yards again, on account of James holding. With less than a minute to play a place kick was tried. Clark held the ball and James made a good try, but the ball went under the bar several feet. Time was then called.

The line-up was as follows:

MAILE ILIMA. ARTILLERY.
Hatfield, r. e. ... i. e. Covell
Westcott, r. t. ... i. t. Woods
Robertson, Ellis, r. g. ... i. g. Ludlam
Chilton, center ... center, Allen
Richardson, l. g. ... r. g. Perry
P. Jarrett, l. t. ... r. t. Coulter
Mays, McCriston, l. e. ... r. e. Clark
B. Clark, q. b. ... q. b. Greenwalt
F. Wright, r. h. b. ... l. h. b. Modlin
James, l. h. b. ... r. h. b. Foley
Heilbron, l. b. ... r. b. Bennett
Score—Maile Ilima, 11; Artillery, 6.
Touchdowns—Heilbron, Wright, Bennett.
Goals from touchdowns—James, Greenwalt.
Umpire—Anderson.
Referee—C. Long.
Timer—E. Mott-Smith.
Linesmen—Gleason and Dr. Raymond.
Time of Halves—20 minutes.

Iolanis Win.

The indoor baseball match at the Y. M. C. A. last night, between the Iolanis and the High Schools, was won by the former, the score being 15 to 3.

DID YOU EVER NOTICE THE FIT OF OUR GLASSES?

Ever notice how they become the wearer, show that they were made for that particular wearer, and for no one else?

Glasses, while primarily intended to correct eye defects, should be made as comfortable and becoming as possible; and these features we study carefully in each individual case.

THAT'S THE REASON OUR GLASSES LOOK RIGHT.

Mistakes are easily made, but you MAKE NO MISTAKE in placing the care of your eyes in our hands.

Hundreds—Thousands have done so—and to their comfort and satisfaction.

We have new features in both our testing methods and in our glasses, and you will be surprised and pleased at the comfort giving qualities of our methods.

REMEMBER further that in every instance we charge the same price as in the States—no more—sometimes less.

HIGH SCHOOLS DEFEAT Y. W. C. A.

The Angels met defeat yesterday afternoon on the basketball court at Punahou when the High School team outgoaded them with a score of 9 to 5.

The Y. W. C. A. team had the best of the game in the first half when the score was 4 to 1 in their favor, but the High School took a brace in the second half, played fast and accurately and after evening up the score made two goals from the field.

There was a mild excitement throughout the game but this increased as the High School began to forge ahead. It was a fine game, both teams being well matched. There was nothing slow about the game at any time and both sides made strenuous

efforts to put up the best game of the season.

In the first half the Y. W's were fortunate in throwing goals, the High Schools scoring but once on a free throw awarded by a foul on the Y. W's part. Miss Frazier and Miss Carrie Crewes for the Angels made the goals, exhibiting excellent judgment in handling the sphere. It was noticeable that the sisters Crewes, playing on opposite teams, were excellent goal guards, and to them went most of the honors for making goals.

The second half showed that the High Schools had reentered with a determination to win. Throws for goals were made from every advantage point and soon had the score to 4-4. The High Schools and the Y. W's were both penalized for fouls and both made goals, bringing the score 5-5.

Then came the exciting plays. The team work was superb on both sides, but fortune favored the High Schools and the ball lodged twice in the basket on field plays.

LEILEHUAS THE VICTORS

The Leilehuas and the Palamas, two football teams composed mainly of lusty young Hawaiians, played an excellent game on the Punahou campus yesterday afternoon which ended in a victory for the Leilehuas. The score was 5 to 0. It was a hard fought game, but the Leilehuas almost from the start had the better of their opponents, the latter being unable to withstand the shocks directed against their center.

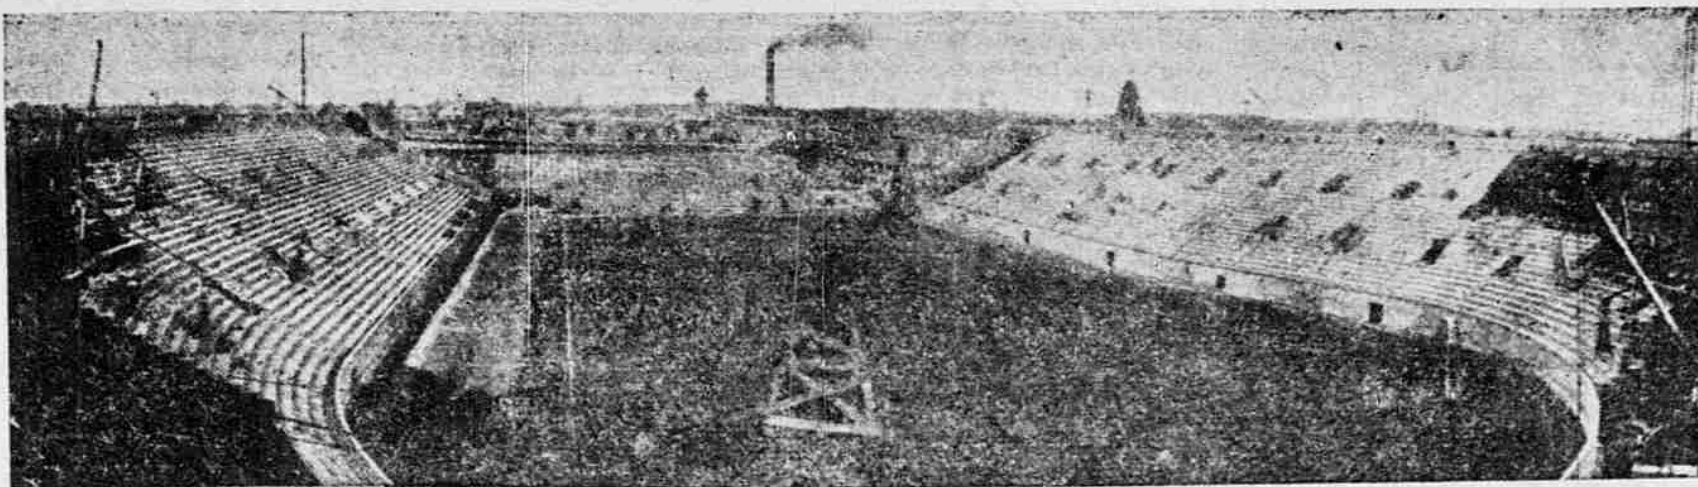

A laughable feature toward the end of the game occurred when a player started on a run around the end and became entangled with the spectators who had insisted on crowding around the players as if a ring fight was in progress. The player with the ball got lost in the crowd and several of the spectators were bowled over in their efforts to get out of the way.

TO REHEARSE FLORODORA.

Opera to Be Soon Given for Catholic Organ Fund.

Next Tuesday evening a rehearsal of Florodora, to be presented as a benefit performance for the organ fund of the Catholic church at Waikiki, will be held in the Mission Hall in the Catholic Cathedral grounds at eight o'clock. The rehearsal will be general and a large attendance is expected.

There are twenty-six parts in the cast and many of these will be selected from the chorus who are all striving to thus achieve greater distinction. The choruses, which are particularly catchy, are going with a swing and the opera is well under way. It will be given under the patronage of distinguished Catholic ladies. Father Valentini, in the interests of his organ fund and of music generally, attends all rehearsals. All those who are interested in the performance are invited to be present on Tuesday evening. New scenery for the production is being now painted and built.

THE NEW STADIUM AT HARVARD UNIVERSITY.

This magnificent amphitheatre, constructed throughout of steel and stone, is the finest thing of its kind in the country, and was erected at a cost of \$250,000, to seat forty thousand spectators. Its formal opening occurred on the occasion of the Yale-Harvard football game, November 21.
